Diagnostic Medical Physics RESIDENCY PROGRAM

Petrone Associates, LLC established its diagnostic medical physics residency in 2020 and received full CAMPEP accreditation in 2022. Our program is a two-year residency that covers all imaging modalities as well as the radiation safety aspects needed to perform pertinent RSO duties, which includes but is not limited to radiation shielding designs, department auditing, and CT/Fluoroscopy dose optimization. Petrone Associates has been providing full service medical physics services in the greater NYC area for over 30 years. Residents will have access to all manufacturers, models, and vintages of imaging equipment in our scope while training with a diverse and experienced team. **This year, we will be recruiting 2 Diagnostic Imaging Residents.**

If you are interested in applying for a residency position, please apply through the common application on AAPM (MP-RAP)! **And if you have any questions, please reach out to our team listed below:**

Program Director: csmitherman@petroneassoc.com and **Program Coordinator:** vramos@petroneassoc.com

TRAIN WITH EXPERT QUALIFIED MEDICAL PHYSICISTS IN DIAGNOSTIC MODALITIES
