

**University of Toronto**  
**Department of Medical Biophysics**  
**Job Posting – Teaching Assistant Position**  
**Fall Term 2024 (September-November)**

Posted on July 15, 2024

The Department of Medical Biophysics seeks 1 Teaching Assistant for the following module:

**MBP 1201H– BIOSTATISTICS MODULE (.25 credit module)**

**Qualifications**

Enrolled in a graduate program in SGS at the UofT. Proficient in and able to teach statistics and statistical analysis in Python. Proficiency in R programming is an asset but not a requirement. Preference given to MBP students.

**Relevant Criterion**

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

**Duties**

- Holding tutorials
- Marking assignments and marking exams
- Must be available after each class for hour-long tutorial on Tuesdays at 1:00 pm (Oct 29 – Dec 10)
- Run two tutorial sessions (3 hours each) on statistical analysis in Python on Oct 15<sup>th</sup> and Oct 22<sup>nd</sup>. Python sessions will take place during the weekly tutorials, as well as Q/A related to assignments.

*Duties of this position shall be performed at the campus on which the position is located.*

**Hours of work: approx.** 63 hours

**Estimated Course Enrolment:** 50 students

**Rate of Pay:** SGS II - \$51.93/hour (+ vacation pay)

**Application Process**

Applicants should submit a cover letter, C.V. and application (<https://medbio.utoronto.ca/TA>) in one PDF by **August 2, 2024**. Applications should be emailed to:
