Dear MBP,

Washington University School of Medicine is currently accepting applications for two positions in our Medical Physics Residency Program in Radiation Oncology for a July 2024 start date. Could you please share this information with any of your potentially interested medical physics students?

Attached is more detailed information about our residency program. Those interested are welcome to apply here until October 1, 2023:

Thank you for your consideration.

Sincerely,

Francisco Reynoso, PhD  
Program Director  
Washington University School of Medicine
